BITTERROOT INTERGROUP

Spring Retreat
Camp Bighorn
May 14-16, 2021

is an Adventure

A weekend of workshops,
meetings, adventures, relaxation and
a whole lot of FUN!!!

Camp Bighorn

1850 MT HWY-135

Plains, MT

www.campbighorn.com

Approximately 1 mile south of Quinn's Hot Springs Resort

Please join us as we explore all that recovery has to offer. In addition to the usual retreat activities, workshops speakers, raffle, etc. Saturday afternoon offers free time for those wanting to relax, spend focused time on recovery or experience fellowship in a guided adventure.

We'll bring the fun.

You bring – AA Big Book, OA 12x12, pillow, sleeping bag or bedding, towels and toiletries.

Friday – Registration starts at 4 PM and Dinner is at 6 PM

	Registration Fee		

*Commuters are responsible for arranging their own lodging and any meals not provided in selected package. A refrigerator is available on site.

Optional Saturday Afternoon Adventures**

Essential safety gear is provided for activities (helmets, life jackets, etc.)

Hiking: On-site hiking at Camp Bighorn includes a “Cross Trail” as well as a “Loop Trail”. Each are no longer than 1-2 miles.

An off-site “there and back” local trail hike is Cascade Falls Overlook. Total hiking distance is 2.9 miles along a historic mountain road that takes you to the waterfall’s scenic overlook.

Low Ropes Course: A set of challenges in the trees between 12 and 15 feet off the ground. This culminates in a “leap of faith” while being tied-in with a ground bilayer.

Challenge Course: A variety of challenges on or near the ground that test a team's problem solving skills, vulnerability, and determination.

Mountain Biking: A beginner level mountain bike course that teaches the fundamentals of trail riding, shifting gears, and braking.

Canoeing: A scenic 6-mile float from Camp Bighorn to Paradise, Montana along the Clark Fork River. This will be great for beginners who want to enjoy the Montana landscape and scenery. This includes basic paddle terminology and practice.

White Water Rafting: Rafting on the Clark Fork River is mostly a scenic float using 13’-15’ rafts with some excitement along the way. One river route option includes the “Rock Garden and Cascade” Rapids (class 2), and another option includes a series of three rapids that the locals call “Triple Set” (class 2 and 3).

SUP (Stand up paddle boarding): A flat-water introduction to a sport that involves either sitting or standing on Northwest River Supplies SUP’s on the river. This can be in moving water, or in an eddy at a local area called “Rocky Point.” This includes basic paddle terminology and practice.

***Each option requires a minimum of 6 people and contingent on appropriate weather conditions.*
