

2023 Grant Request for Region One Member Outreach Funding

Because of the unexpected pandemic, which led to lower expenses and higher donations, we ended the year with funds more than what we had budgeted for 2023. In this event, Policies direct us to make an additional contribution to OA World Service and to increase specific line items in our budget for the current year.

We have an opportunity to provide outreach funds to Intergroups be used to purchase literature, upgrade/maintain websites, purchase/upgrade Zoom licenses, assist with hybrid meeting setup and/or training, hold workshops/events etc. to help with their expenses for 2023. Funds must be applied for and disbursed in the 2023 calendar year. Grant funds will be dispersed on a first come first serve basis until depleted. Initial applications are due to bfdsoaregion1.org by June 30th, 2023.
