Not sure you have enough money to do that? Help is here!**

Region One has funds to help intergroups send their Representatives to Region One Assembly October 15-17, 2024. The Budget, Finance, and Delegate Support (BFDS) Team oversees the process and recommends support amounts to the Region One Board. If you would like help so your Intergroup can have a voice in Region's decisions and benefit from Assembly workshops and connections, please fill out an application and **submit it to the BFDS Team by August 15, 2024.**

### **Instructions:**

1. Review the application and collect the information needed to fill it out.
2. Fill out the application:
  - Send to BFDS Committee by email - [bfds@oaregion1.org](mailto:bfds@oaregion1.org)
  - All applications must be received by midnight on **August 15, 2024**. These applications will be acknowledged by email or phone call.
  - In the spirit of Seventh Tradition self-support, it is requested that--where feasible--each applicant intergroup provide some portion of the Representative expenses from their available treasury, and/or offer to conduct a fundraising event within their larger service body to help defray their Assembly Representative expenses.
3. The BFDS Team will make funding recommendations to the Region One Board based on the following priorities:
  - Help Intergroups that have never sent a Representative to Assembly.
  - Help Intergroups that have not sent a Representative to Assembly in the last five years.
  - Then help other Intergroups needing financial assistance to send Representatives to Assembly.
  - Intergroups may send more than one Representative, however. *(See Region One Bylaw Section 4 on Region One Representatives at the end of this document.)*
4. After Region One Board approval, the Treasurer will notify the Intergroups of approved Representative Support funding after the **August 18, 2024** R1 Board Meeting.
5. Distribution of Funds:
  - After Assembly: The Representative will turn in an expense report and all receipts to receive reimbursement for costs up to the amount of approved funding support. Funds may only be reimbursed for costs incurred during Assembly (not Convention) and travel to and from Assembly.
  - Advance of funds before Assembly: Advance payments may be made only by special arrangement. Preferred method of payment is reimbursement after Assembly with associated receipts.
